THE PRO & ELITE TEAM STUNTING CLINIC IS A REQUIRED EVENT FOR THESE TEAM DIVISIONS.

ACTIVSTARS is offering this Stunting Clinic for all Pro and Elite teams/cheerleaders. Students are required to attend one Stunt Clinic per year, if a student is new to a Pro or Elite team this Spring 2019 or they did not attend the Fall 2018 Stunting Clinic, they are required to attend this event in order to be eligible to stunt with their team at ACTIVSTARS team practices or competitions.

Please Note: Cheerleaders who did attend in the fall are given the opportunity to attend again with their team to work on their stunting skills and progression. Please speak with your coach directly if your team is scheduled but you are unable to attend.

Our programs are designed to ensure the highest level of safety for our students. Parents, we know that you want the highest level of safety for your student, and that you value the safety precautions we are taking, by implementing this annual stunting clinic for our students. We appreciate your support!
